

### Executive Project Team (EPT)

#### **Chair :**

The Executive Project Team includes the leaders of all WPs: the Dissemination and Training (WP3) activities, the Service Deployment (WP4) and Infrastructure Support (WP5) activities, and all Joint Research Activities (WPs 6, 7, 8). In case of need, each WP leader may be represented at Team meetings by a nominated deputy with voting rights. The EPT will be chaired by the VAMDC Technical Coordinator who is a member of the Project Board and who will appropriately advise the VPB on the technical validity and relevance of the project strategic plans. The Executive Project Team is the core of the management structure from the technical point of view, making sure that the project WPs have a common view and that planned work is well coordinated with other similar international projects. The EPT is planned to be quite operative, thus it will have monthly teleconference meetings (more if necessary) as well as bi-annual face-to-face meetings. The EPT will collect reports from SAs and JRAs and prepare the annual technical reports for the VPB. The Project Coordinator will have a standing invitation to participate in the meetings.
